SONSHINE NURSING HOMES

Who We Are

We are co-laborers in God's harvest fields of 11 local Independent, Assisted Living and Nursing Facilities where His tools: God's Word, godly hymns and regular visitation with compassion from Jesus Christ can encourage or transform the residents' hearts.

Why we do it: (1) Because God commands it (2) It is the compassionate thing to do (3) To encourage friendships and most important (4) To deliver them from the bondage of sin.

What We Do

Sonshine Nursing Home Ministry currently provides services at the following independent, assisted living and nursing home locations: Greece-Crimson Ridge, Hamilton, Latta Road, Legacy at Park Crescent; Hilton-Hilton East; Spencerport-Wedgewood; Irondequoit-Baird; Rochester-Jewish Home, Kirkhaven, Shorewinds; Webster-Maplewood.

Our goals are:

1. To provide each of our current nursing and assisted living homes with a ministry team consisting of a dedicated leader and two or three assistants. This would create consistent service support and we hope more one-on-one additional visitation.

2. Expand our ministry outreach to include the four remaining nursing homes in the town of Greece that currently, to the best of our knowledge, have no gospel message presented.

To accomplish goal number one we must recruit new and/or promote individuals into leadership roles. Following the successful completion of this primary goal we would attempt to provide additional leaders and assistants for the presentation of the gospel in our Greece community.

How **YOU** can be involved:

Involvement can be anywhere in our typical forty minute service which consists of:

- Escorting, greeting and chatting with residents.
- Opening prayer and group singing.
- Scripture reading with a short message.
- Closing prayer, chatting and farewells.

When: Frequency and times for our current services vary. Most nursing home services occur once a month and on weekday mornings but 2 services meet on Sunday afternoons.
