## ***WELCOME TO FIRST BIBLE!***

---

We're so glad you've chosen to join us this morning. Whether you're a member, just visiting, or searching for a place to call your church, we're glad you're here and hope you feel a warm welcome and a sense of Christian family bond.

As a community of imperfect people on a journey to know, love, and follow Christ, it's our joy to worship the Lord Jesus. Our prayer is that you will have a meaningful encounter with our Lord Jesus Christ, grow in a deeper relationship with our God through the teaching of the Scriptures, and get to meet some friendly new faces!

*John & Marilyn Asmah*

Ghana

John and Marilyn Asmah have a great passion to reach the people of Ghana with the Gospel of Jesus Christ. John, a Ghana native, pastors a growing church in the West African country. He recently encouraged his church to consider its role in the Great Commission. John launched a February initiative, asking the church members to reach their neighbors with the Gospel message. After several weeks of door-to-door witnessing, they have seen 28 individuals receive Jesus as Savior.

The Asmahs are incredibly grateful for the opportunity God has given them in Ghana. FBBC's 18 years of faithful support have equipped them to sustain the work they are doing. John and Marilyn would like to thank the First Bible family for the part they play in supporting their ministry. They ask for your prayers as they continue to share the light of Jesus Christ with the people of Ghana.

## Thank You /Notices

*Friends and family at FBBC - Thanks so much for all your support! We've gotten gifts, cards, food, and received prayers from you as well. They're much appreciated. As you may know, I was diagnosed with Prostate Cancer in May. The normal treatment is 6 rounds of chemo, accompanied by hormone therapy. I survived chemo with my hair remaining on my head, and no nausea issues! Now that my beard is back, the only symptom is some fatigue. It's purely mental, as I can go shovel the driveway or go to the gym all while convinced that I desperately need a nap. I was never a big coffee drinker before, but now I am. An Integrative MD suggested regular exercise and diet changes, and I'm following that advice. Pescatarian means you eat fish but no other meats. I am also eating next to no carbohydrates. As a result of this, over 20 pounds just basically fell right off. It really lifts my spirits to know that I'm thought of and prayed for.*

*Thanks, Paul Barletta*

*I recently ruptured my patellar tendon (runs from lower knee cap to shin bone) playing volleyball at NCA. Surgery went well, and healing is ahead of schedule, both by the grace of God. God's reminding me of my weakness and how much I need him. I thank the Lord Jesus for being our Savior, and thank God our Father for being our comforter and healer. A special thanks to the pastors and church family who encouraged Kate and me through prayers, food, visits, cards, and love. We are so blessed to be part of First Bible Baptist Church!*

*With Love, Adam Nichols - Philippians 4:13*
