TODAY'S SERMON

WELCOME TO FIRST BIBLE!

We're so glad you've chosen to join us this morning. Whether you're a member, just visiting, or searching for a place to call your church, we're glad you're here and hope you feel a warm welcome and a sense of Christian family bond.

As a community of imperfect people on a journey to know, love, and follow Christ, it's our joy to worship the Lord Jesus. Our prayer is that you will have a meaningful encounter with our Lord Jesus Christ, grow in a deeper relationship with our God through the teaching of the Scriptures, and get to meet some friendly new faces!

MISSIONARY MINUTE

David Lee

Philippines

August 2019

Can the life of one individual really make a difference? When that one person submits their life to serving God, a lot can happen!

With a population of over one hundred million, the Philippines is home to many souls in need of a Savior. Seventeen years ago David Lee began sharing the Gospel to the Filipino people. Mr. Lee, our supported missionary, has a simple model of ministry. David travels to rural villages, facilitates home Bible studies, and trains local Christians to take over the ministry. Mr. Lee also runs a Bible School where young men train to be pastors. While the model is straightforward, God has blessed David with some tremendous results. Today sixteen prospering churches have grown from the home Bible studies. These churches are pastored by men who have graduated from the Bible School, and more church plants are being planned in surrounding villages. All this is possible because of God's blessing on one man who submitted himself to serve!

Please take a moment today to pray for David Lee, our supported missionary to the Philippines.

Thank You /Get Well

Thank You

Thank you for your many prayers, cards, visits, and get well wishes. I also appreciate your continued prayers for a suspect lung mass. It is truly humbling how the love of Christ is displayed through His body of believers. The Lord has been gracious throughout my illness and recovery from pneumonia and heart complications. He has shown His healing strength in my hour of need during very critical situations in the hospital. I am so thankful to Him for answering miraculously. Praise to our Sovereign King of Kings and Lord of Lords!
