

TODAY'S SERMON

WELCOME TO FIRST BIBLE!

We're so glad you've chosen to join us this morning. Whether you're a member, just visiting, or searching for a place to call your church, we're glad you're here and hope you feel a warm welcome and a sense of Christian family bond.

As a community of imperfect people on a journey to know, love, and follow Christ, it's our joy to worship the Lord Jesus. Our prayer is that you will have a meaningful encounter with our Lord Jesus Christ, grow in a deeper relationship with our God through the teaching of the Scriptures, and get to meet some friendly new faces!

MISSIONARY MINUTE

February 2020

From Crisis to Christian

Jeff and Carla Bassett

Africa

Every year, thousands of people leave their homes due to war, famine, or other tragedies. These refugees flee undesirable conditions in search of hope and safety. As they seek a new home, many displaced people find themselves living in large refugee camps. Whole communities that were once unreachable have gathered together in one location. Jeff and Carla Bassett, our supported missionaries, view these camps as their mission field.

While in these communities, Jeff and Carla meet many people who have never heard about Jesus. At one camp in Uganda, the Bassetts have seen hundreds saved and baptized. These new Christians are eager to study God's Word, and the Bassetts love this opportunity to disciple. Rather than seeking asylum, many of the refugees return to their homelands eager to share the life-changing Gospel. These refugee camps have become training grounds for national church-leaders and missionaries!

The refugee crisis is truly heartbreaking. Despite the sorrow, God continues to transform lives and grow His church! Please take a moment to pray for Jeff and Carla, our supported missionaries in Africa.

Parental Choice in NYS

Medical Legislation

There are multiple medical legislations coming through the NYS Assembly and Senate in the upcoming 2020 session. We believe some of these legislations interfere with basic parental rights and the choice of each family to make medical decisions based on their own conscience, family convictions, and advice of their pediatric and family doctors. To know more and get involved, please go to: www.fbfc.info/parentalchoice

Information Update

If you don't, go to <https://fbfc.ccbchurch.com> and begin today.
