

Hello, Sparky Parents!

While we are unable to meet for Awana club, we are passing the signing power over to you. We will also be providing some activity ideas, such as a bible story video and a coloring page, each week to enjoy with your clubber. We believe this will be a fun and special time for you and your clubber as you study God's Word together.

Here are a **few guidelines** to follow during book time:

1. **The Two-Help Rule:** Clubbers are allowed two helps per verse. (This does not include the verse reference. Clubbers at this level often need more help with the reference.)
2. Please **sign and date each section** your clubber completes.
3. At this point in the club year, clubbers are allowed to say a maximum of **3 sections** each week.
4. Is your clubber getting close to finishing their book? After finishing a book, they should work through the book again, and get each review section signed.

If you have any questions or concerns, please don't hesitate to email me at Dillon.brisco@fbbc.info

We are praying for you and hope to see all of our clubbers again really soon!

Dillon Brisco

Awana Ministries Director
