**Conversation Starter:** Tell your child about a time when you were a child and life seemed unfair.

 **Encouragement for You**

Need some inspiration on the journey?

Revelation 4:8b tells us that God is holy; He is perfect and without sin. Because we all sin, we can never measure up to God's standard of holiness. But God loves us too much to expect us to be holy on our own merit. We can be encouraged that when we accept Jesus Christ as Savior the Holy Spirit helps us to live holy lives. John 14:26 tells us that the Holy Spirit will help us, teach us, and make us more like Christ.

 **Make It Stick**

Do you need a creative activity to help with memorizing verses? Read this suggested activity and look for a time this week when you can do this with your child!

**Verse Puzzles** — There are many websites that offer templates to make your own puzzles or word games to aid learning. Do an Internet search for puzzle makers to turn the verse into a puzzle for your child to do, or make one up yourself.
