Encouragement for You

Need some inspiration on the journey?

Some kids have a hard time sleeping in the dark. Their imaginations take over and fear and uncertainty can set in. Having a nightlight can bring comfort and help the child to go to sleep peacefully. We live in a world that is dark with sin. But God gave us a light to see (Psalm 119:105)! The Bible is a light that helps us see in the dark. It guides us to make good decisions when the good decisions are hard to see around us.

Make It Stick

Do you need a creative activity to help with memorizing verses? Read this suggested activity and look for a time this week when you can do this with your child!

Jumping Jack — While doing jumping jacks, have your child recite the verse in time with jumping. Repeat doing this a few times every day until the verse is memorized.
