

# Disciple of Christ Assessment

This assessment helps discover where you are as a follower of Jesus. There is no right or wrong answer. Your answers are to "grade" where you are now, not where you think you should be, or would like to be in the future. So be as honest as you can without over-rating or underrating yourself. Read each statement and use the drop down to mark the number grade under the column that best represent your spiritual health in that area.

<b>0-24</b>	Your following needs to be strengthened. Perhaps you are a new Christian or have not yet really started. Are you prepared to clearly answer Jesus' call and become His disciple?
<b>25-49</b>	You made a beginning in some areas, but your following is still loose and distant. Jesus is calling you to follow Him more closely.
<b>50-74</b>	You have made some good progress as a follower of Jesus. But don't become a half-hearted follower. There is much more growing for you in some important areas of discipleship.
<b>75-100</b>	You are well on the way as a follower of Jesus, but keep on going! There are still important steps ahead for you.
